Guidelines for Virtual Video Presentation for The 7th ICOLLITE 2023

1. You should prepare a 10-12 minutes video presentation, making you appear in front of a camera, and your voice heard, or you may use a combination of any other creative methods of presentation, such as with multiple screens showing your PowerPoint presentation and you as the presenter.

2. The resolution of the video should be of high definition (720p or 1080p).

3. All information such as the title of your paper, authors' name, affiliation as well as your photo must appear on the first slide of your presentation.

4. All presentation must be delivered in English.

5. All information on the slides presented with images and/or audio must be clear.

6. There will be a 8 - 12 minutes Question/Answer session after all the featured speakers havefinished with their presentations, delivered live or via video presentations.

7. No background music is allowed.

8. Video presentations are uploaded on YouTube, and the link is sent through the presenter's account on the Icollite website.
